

**2020 Summer Conference
June 12, 2020
Kearney Holiday Inn**

Good day! We've looked at strength-based recruiting, performance impacting leadership, and team-building. Now, we would like to work on empowerment and partnership with our teams!

With several major initiatives, this year's summer conference will be a great time to get together and share perspectives as well as sharpen our management skills!

Thursday evening, June 11th, we'll have a social gathering at Cunningham's on the Lake.

Friday, June 12th, we'll conduct a business meeting from 7:30am – 8:00am, and will vote to fill our open executive committee positions.

Phil Reynolds, from the Ken Blanchard companies, will be our keynote speaker as he trains us in Situational Leadership[®] II, a proven, time-tested leadership model that has been used to train over 5 million managers in the world's most respected organizations.

We'll sit down together for a wonderful dinner.

We'll take some time after lunch to visit with representatives from bus manufacturers, as well as alternative fuels, routing, safety, and security companies.

Dr. Brooke Envick, a business professor from the University of Nebraska at Kearney, will present on Social Contracts, a tool for creating employee commitment.

We'll spend the remainder of the afternoon having a roundtable discussion regarding what we need to do to be in compliance with the new Drug and Alcohol Clearing House, Department of Transportation Audits, and the Rule 91 final update.

Matt Quiring will close our conference as he updates us on the Mutual Aid Directory and NSTA vision.
